

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/2534 with regard to energy labelling of household tumble dryers

**Supplier's name or trademark:** ROMO

**Supplier's address:** ELMAX STORE a.s., Topolová 777/2, 735 42 Těrlicko, CZ

**Model identifier:** RHD3480A

**Technology of tumble dryer** | Electric condenser

## General product parameters:

| Parameter                                                                                                                                                                                                                    | Value          | Parameter                                     | Value                                          |               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|-----------------------------------------------|------------------------------------------------|---------------|
| Rated capacity (kg)                                                                                                                                                                                                          | 8,0            | Dimensions in cm                              | Height                                         | 85            |
|                                                                                                                                                                                                                              |                |                                               | Width                                          | 60            |
|                                                                                                                                                                                                                              |                |                                               | Depth                                          | 59            |
| Energy Efficiency Index (EEI)                                                                                                                                                                                                | 60,0           | Energy efficiency class                       | C                                              |               |
| Condensation efficiency (%) (if applicable)                                                                                                                                                                                  | 89             | Condensation efficiency class (if applicable) | B                                              |               |
| Weighted energy consumption in kWh per drying cycle. Actual energy consumption will depend on how the appliance is used.                                                                                                     | 1,02           |                                               |                                                |               |
| Programme duration (hours:minutes)                                                                                                                                                                                           | Rated capacity | 3:30                                          | Type                                           | Free-standing |
